A Christmas wish for 2020

I know life has been very difficult this year, and unfortunately there doesn't seem an end to it at the present time

Thank goodness for the vaccine, which hopefully some of you may have already had

A light at the end of the tunnel!

**In the meantime I wish you all a very happy (if curtailed) Christmas
and a positive New Year**

**If I can help do phone me on 02380 261996 if you want a chat
. or you can email - jeangowland@gmail.com**

With Best Wishes.
